Important: It is important that the student's device should have a manufacturer guarantee and store protection plan. Robinson School IT Department does not repair or replace student devices. School does not provide loaners for students.

Important: In order for students to successfully complete learning activities using their devices, it's important for them to be familiarized with their device. Please make sure they know how to do basic tasks in their own device. For example:

- ✓ Turn on/off their device
- ✓ Create folders, save and find documents
- ✓ Find their apps: Word, PowerPoint, OneDrive – Robinson School folder
- ✓ How to bookmark sites in a browser.
- ✓ How to use the keyboard: basic commands and how to use special characters (Spanish accent and punctuation)
- ✓ They should also know their login information for Microsoft 365, Canvas and Clever.
